

account GET method

Retrieves details for an account.

Resource URL:

<http://api.textmarketer.co.uk/services/rest/account>

or:

<http://api.textmarketer.co.uk/services/rest/account/<account ID>>

**Example successful response
body XML:**

```
<?xml version="1.0" encoding="ISO-8859-1"?>
<!DOCTYPE response PUBLIC
"-//textmarketer.co.uk//DTD Web Services REST 1.6//EN"
"http://api.textmarketer.co.uk/services/rest/DTD/groups_
get.dtd">
<response processed_date="2012-04-11T11:23:14+02:00">
  <account>
    <account_id>abcdefghijklmnopqrstuvwx</account_id>
    <api_password>my_api_password</api_password>
    <api_username>my_api_username</api_username>
    <company_name>Bill's Bakery</company_name>
    <create_date>20012-02-12T01:00:00+02:00</create_date>
    <credits>833</credits>

    <notification_email>bill@billsbakery.com</notification_e
mail>

    <notification_mobile>447777777777</notification_mobile>
    <password>my_UI_password</password>
    <username>my_UI_username</username>
  </account>
</response>
```

Response meanings:

XML tag/attribute	Meaning
account_id	Up to 24 alpha-numeric characters. Your reference for the account, to be used when specifying an account for retrieval that is not the account identified by the API username/password you are using to access the API, i.e. you can use this to specify other accounts that you have created. You may access any account that was created using the account you are using to access the API.
api_password	The API password of the account retrieved
api_username	The API username of the account retrieved
company_name	The company name of the account retrieved
create_date	The exact time/date the account was created (in ISO 8601 format)

credits	The number of credits available on the account. If you only wish to retrieve the number of credits, you should use the credits resource .
notification_email	The main email address of the account, used to receive notifications and alerts.
notification_mobile	The main mobile number of the account, used to receive notifications and alerts.
password	The account password, used to access the account UI at https://messagebox.textmarketer.co.uk .
username	The account username, used to access the account UI at https://messagebox.textmarketer.co.uk .

Specific errors:

No specific errors.

that a 404 status code is returned if the account ID specified does not exist, and 403 if you do not have permission to access the account you specified.
